MACKENZIE VALLEY PIPELINE INQUIRY
EXHIBIT NO. 536 A April 6/76
Yellowknife. NWT.
Foothills
Pipe Lines Ltd.

Dear Sir:

Re: Application of Foothills Pipe Lines Ltd. for Interests
in Land in the Northwest Territories for the Construction
of a Natural Gas Pipeline

Enclosed herewith in thirty (30) copies are new alignment sheets which are intended to form part of the application of Foothills Pipe Lines Ltd. The sheet accompanying the alignment sheets describes how they are to be dealt with with respect to those which you already have received. Copies of the sheets and the accompanying descriptive note are being provided to the Berger Inquiry and to the participants therein. Copies have already been filed with the National Energy Board as part of the prepared evidence of Foothills Pipe Lines Ltd.

Yours very truly,

R. J. Gibbs
